

## STATISTICAL SURVEY ON ETHNICITY, MOTHER TONGUE AND RELIGION QUESTIONNAIRE GTK-01 (ONE-OFF)

Statistics Lithuania carries out the 2021 Population and Housing Census of the Republic of Lithuania (hereinafter referred to the "Census") on the basis of administrative data and using the data of the state registers and information systems. Data on population by mother tongue, knowledge of other languages and religion professed are neither compiled nor stored in the state registers, and part of the population have not indicated their nationality (ethnicity). In order to meet user needs and compile statistical data on population ethno-cultural indicators, statistical survey on ethnicity, mother tongue and religion is carried out. The results of the statistical survey will be combined and published with the statistical information of the census.

Persons aged 16 and older are interviewed. Parents, adoptive parents, foster parents answer the questions of the questionnaire for their children. In case of disagreements between parents, adoptive parents, foster parents of different nationalities, the priority is given to the opinion of mother, adoptive mother, foster mother.

Statistics Lithuania guarantees the confidentiality of the received statistical data.

Information on the processing and protection of personal data is provided at [stat.gov.lt/asmens-duomenu-apsauga](http://stat.gov.lt/asmens-duomenu-apsauga)
